

Waste & Recycling Guide

Valid from April 2011

Oxford Canal

Oxford to Napton Jct.

This guide can help you locate waste and recycling facilities along the southern stretch of the Oxford Canal.

British Waterways provide waste bins, marked with a  symbol. Also shown are third-party recycling points that are easily reached from the canal. Some are located with or near our own waste bins.

See the *Recycling Directory* on page 2 for details and directions.

How do I dispose of...?

Glass, Paper, Cans and Plastic

- There are convenient recycling banks all along the canal, see the directory on page 2

Household Items

- Sell them (e.g. Gumtree, Ebay, local listings)
- Give them away (e.g. to friends, Freecycle)
- Council sites (for recycling or disposal)
- Return electricals to retailers (WEEE scheme)

Oil

- Council sites (for recycling or disposal)
- Find a site: oilbankline.org.uk / 08708 506506

Bulky or Unusual Items

- Council sites (for recycling or disposal)

Refuse

- If it isn't possible to recycle your waste place it in a BW waste bin (see map for locations)

Did you know?

Fly-tipping costs **£250,000** and **4,000 staff hours** each year.

These resources would otherwise be spent improving the canals.

Fly-tipping is a criminal offence under Section 33 of the Environmental Protection Act 1990 for which the maximum penalty is an unlimited fine and/or five years imprisonment.
